

**Nwyze**  
THOUGHT STRATEGIES™

*Creating richer models for life and business.™*

*The Nwyze Way™ is a profound new process that can be applied to people, organizations, products, and services. If there is an opportunity to enhance performance, there is a role for Nwyze.*

**THE NWYZE JOURNEY IS A PRIVILEGE. THE DESTINATION BEGINS WITH YOU.**

*Nwyze Thought Strategies offers a process that encourages you to think differently, to think beyond your current truth. Awareness is your greatest currency and resourceful thinking your strongest catalyst. If your role requires you to lead, thought strategies are your tools and ideas are your designs. Call us to discover your own sense of power and purpose.*

Our proprietary methodology takes both individuals and organizations through a provocative passage of illumination and clarification—a passage that deepens self or situational understanding, broadens individual or group perspective, and inspires conviction to create powerful change.

Nwyze Way clients discover deeper structures of meaning. They capture powerful living systems of interconnectivity. Through the connections a new pathway is created to leverage and position opportunity. This journey of discovery delivers a place from which to see the world with new eyes, a place from which to see the ideal within the impossible.

**MEET YOUR NEW GUIDE.** | The unique principles behind Nwyze Thought Strategies are truly original thinking from an exceptionally fresh perspective. Anne Machesky's ability to dive deep into the essential truth gives her clients the will to overcome past barriers and achieve new dreams.

**BUSINESS MANAGEMENT CONSULTANT** | Anne has developed a private practice offering consultation for both companies and individuals helping them stay ahead of the shifts in business transition. She has a profound skill to position any opportunity and create a richer model from which to capture possibility.

**PROFESSIONAL / EXECUTIVE COACH** | Anne works with clients on a variety of career-development and life-planning concerns. She has a unique ability to guide individuals to higher levels of personal mastery.

**PUBLIC SPEAKER / PRESENTER** | Anne has served her financial planning profession for years as a dynamic public speaker. She excels in framing and bridging critical issues and crucial opportunities for wide audiences. She is a highly sought-after presenter on both a regional and national level. Her broad and deep knowledge of best practices within the financial planning profession is invaluable.
